WHAT OUR CLIENTS SAY

UK Tech Founder

"The Horizon team made our UAE expansion seamless. Their structuring advice saved us time and money. Highly recommended for any founder entering the Middle East."

CFO, Dubai-based Trading Firm

"Their due diligence and valuation work was on point – gave our board the clarity we needed before a strategic acquisition."

UAE, Founder

"Horizon Biz was truly amazing and helped us through VAT registration seamlessly. Vibha is very knowledgeable and always very hands-on with all the information that we needed. best part is they got the job done in 48 hours as promised, where other companies take 48 hours to respond... Thank you Vibha and Team Horizon..."
